

## Exhibitor Appointed Site Supervisor (ESS)

Each Active exhibitor must appoint a Site Supervisor (ESS).

The site supervisor will be responsible for all activities including safety related aspects on the demonstration site. They will coordinate activities such as harvesting, loading, hauling, safety and respect all regulations and guidelines outlined by their DEMO Safety Marshall (DSM). DEMO Safety Marshall (DSM) from SBC Cedar will work hand-in-hand with the exhibitors, DEMO Site Supervisor (DSS) and Show Management to ensure a safe, and enjoyable show experience for everyone.

The Exhibitor Appointed Site Supervisor will wear a white hard hat with visible “Site Supervisor” markings on each side.
